and of the **Climate Policy Initiative** in Venice

Climate after Copenhagen

Venice, Thursday, 15 April 2010

Fondazione Giorgio Cini, Island of San Giorgio Maggiore

The focus of this event will be to look back at the events in Copenhagen and look forward to the implications for international climate policy. For this purpose, a distinguished group of experts from the policy and research community will provide insights on the dynamics behind the negotiations in Copenhagen, the consequences for the public sector, and the way ahead.

9:00 – 9:15 Welcome
