FROM COP 28 TO COP 29

THE ITALIAN ROAD FOR A SOUND TRANSITION

FROM COP 28 TO COP 29

The Italian Road for a Sound Transition

Web event

22 March 2024

09:30 – 12:00 CET

Every year, the UNFCCC Conference of Parties, bring world leaders together to discuss climate change issues and agree on strategies to limit it.

This work, however, does not end with one event a year, but is a continuous flow that requires preparation and forward thinking.

For this reason, Fondazione Eni Enrico Mattei organizes a web event to discuss the road that will take from COP28 to COP29, delving into the most important issues that were agreed in December in Dubai and those that will be discussed in COP29 in Baku.
