PROFESSIONAL EXPERIENCE

Researcher

June 2022 -

Istituto per la Competitività <https://www.i-com.it/>

- I-Com is a think tank based in Rome. Its mission is gathering professionals and institutions to discuss issues of common interest in the domains of Energy and Sustainability, Digital Transition, and Innovation in the Health Sector.
- In I-Com I perform policy analysis concerning the energy sector, with a multidisciplinary method including data analysis and study of legal and political issues.

Conference assistant

June 2022

IFAD: "Job, Innovation and Global Value Chains in the Age of Climate Change" conference

- I was in charge of guaranteeing the well-functioning of the panels and note-taking.

Content writer

2020-2022

Pro\Versi <https://proversi.dev01.it/>

- Pro\Versi is an online magazine offering in-depth and impartial information, through the presentation of pros and cons of controversial social, economic, and scientific issues.
- For Pro\Versi I was content writer and coordinator of a group of volunteer young writers.

Second Emergency Intern

January 2020- March 2020

La Luna di Vasilika ONLUS (Thessaloniki, Greece)

- I planned recreational activities for the guests of the refugee camps of Diavata and Polykastro.
- I assisted the medical staff of the association in the daily visits.
- I participated in the organization and maintenance of our warehouse.
