ACADEMIC BACKGROUND

2021/2022 – Master in Urban Management and Development, Sustainability & Climate change

IHS-Institute for Housing and Urban Development Studies, Erasmus University - Rotterdam.

2015 – 2021: Laurea Magistrale a ciclo unico in Giurisprudenza (Law School)

Università degli Studi di MILANO – Milan.

2009 – 2014: High School – Classical studies

Liceo Classico Parini – Milan.

WORK EXPERIENCE

Feb 2023 – Aug 2023: Junior Project Manager - The Social Hub - Amsterdam (NL)

As a member of the Sustainability & Impact Team, I:

- Managed projects in waste, water, and energy efficiency and circularity.
- Integrated diversity, inclusion, and equity policies.
- Managed stakeholders and strategic partnerships.

Sep 2022 – Jan 2023: Student Consultant - Creativity Pools - Rotterdam (NL).

As a Sustainability Team member, I crafted a Business Plan for a Regenerative Agriculture and Carbon Credits Start-Up.

Jan 2021 – Jul 2021: Resilience Officer – Environmental Transition Department, Milan Municipality – Milan (IT)

As a member of the 'Resilient City' project team, I contributed to urban initiatives and projects for sustainable development in Milan. My responsibilities included:

- Engaging in projects spanning Milan Food Policy, mobility, and energy communities.
- Attending conferences and meetings within international networks, such as the C40 Cities Network.
- Preparing administrative documents and reports.
- Applying for European funding opportunities for sustainability and resilience projects.

LANGUAGES

English: European Level: C1 - IELTS - British Council, 10/04/2021

Italian: mother tongue

OTHER TRAININGS

Sep 2022 – Dec 2022: Project Management Course at The Net Value Academy in partnership with BIP Consulting.
