

GIULIA IACOVISSI

DATA ANALYTICS FOR
BUSINESS STUDENT GRAD
STUDENT

PERSONAL PROFILE

Graduated cum laude in Economics and Management- major in finance. I'm currently attending the second year of the Data Analytics for Business master of Science.

I'm a curious and hard-working person, I always look up for new challenges to stand up to and I strive to do my best in everything I do.

I'm currently working at FEEM where I support the research through statistical analyses, data visualization and algorithms implementation to support research.

I'm a tech geek and passionate in Data Driven Strategies elaboration for supporting business.
