## EDUCATION

### Master of Science (Mechanical Engineering)

Politecnico Di Milano, Italy

09/2017 - 04/2021

Courses

- Thesis - Industrial Location and Disparity: The case of India.
- Project: Pass Strategies for Crack Reduction in SLM of a Tool Steel.
- Diritto Allo Studio Universitario (DSU) scholarship (2017-2020).

### Bachelor of Technology (Mechanical Engineering)

Maulana Abul Kalam Azad University of Technology, India

08/2011 - 06/2015

Courses

- Project: Horizontal Shock Absorbers in vehicles - An investigative study.

## WORK EXPERIENCE

### Graduate Engineer Trainee

Voith Paper (India)

07/2015 - 04/2016

Achievements/Tasks

- Design engineering, engineering procurement, vendor management, and sales.

Contact: Rajat Sarkar - <https://www.linkedin.com/in/rajat-s-4806801a/>

### Supply Chain Intern

Trillium Flow Technologies

11/2021 - 04/2022

Achievements/Tasks

- Engineering procurement, database management, logistics (export and import of engineering materials).

Contact: Giovanni Fumera - [giovanni.fumera@trilliumflow.com](mailto:giovanni.fumera@trilliumflow.com)

### Researcher

Fondazione Eni Enrico Mattei

05/2022 - Present

Achievements/Tasks

- Research in SDG interconnections and mapping economic input-output tables onto SDG indicators for Agenda 2030.

Contact: Laura Cavalli - [laura.cavalli@feem.it](mailto:laura.cavalli@feem.it)
